
[PODCAST - Dayak Women Defend the Forest of Tambun Bungai, in Indonesia](#)

This is the third episode of the Podcast "Women's struggles for land". This episode has been produced by Solidaritas Perempuan, from Indonesia, and the World Rainforest Movement (WRM). It is about women's resistance to oil palm plantations, REDD and a large-scale project for food production (Food Estate) in three villages in Central Kalimantan.

Listen to the podcast on [YouTube](#) or [Spotify](#). Available dubbed in English, Spanish, French, Portugues and Bahasa Indonesia.
